যদি, কোন কারনে বক্সের নির্ধারিত স্থানে আইডি লিখে, পাসওয়ার্ড দিয়ে, Sign in করার পর ই-মেইলের পেজ ওপেন না হয়ে নীচের চিত্রের মতো আসলে একই পাসওয়ার্ড রাখলে তিনটা বক্সেই পুরাতন পাসওয়ার্ড লিখে Sign in ক্লিক করতে হবে, পাসওয়ার্ড পরিবর্তন করতে চাইলে বক্সে প্রথম ঘরে পুরাতন পাসওয়ার্ড এবং পরের দুইটি ঘরে নতুন পাসওয়ার্ড লিখে Sign in ক্লিক করতে হবে.

The screenshot shows the login interface for the National Email System. At the top, there is a header with the system logo and the text "National Email System". Below this, a yellow error message box with a red 'X' icon states: "Your password is no longer valid. Please choose a new password." The login form includes the following fields and elements:

- Username:** A text input field containing "director.planning@dls.gov.bd".
- Password:** A text input field.
- New Password:** A text input field.
- Confirm:** A text input field.
- Stay signed in:** A checkbox.
- Sign In:** A button.
- Version:** A dropdown menu set to "Default" with a "What's This?" link.

At the bottom of the page, there is a footer with the text: "Zimbra :: the leader in open source messaging and collaboration :: Blog - Wiki - Forums Copyright © 2005-2021 Synacor, Inc. All rights reserved. 'Zimbra' is a registered trademark of Synacor, Inc."

This screenshot shows the same login interface as the first image, but with the password fields filled with asterisks to indicate that the user is in the process of changing their password. The error message and the "Sign In" button are still visible, suggesting that the user has not yet successfully logged in with the new password.

The form fields are now filled with asterisks:

- Password:** \*\*\*\*\*
- New Password:** \*\*\*\*\*
- Confirm:** \*\*\*\*\*

The rest of the interface, including the error message and the "Sign In" button, remains the same as in the first screenshot.
